Has ANYONE given ANY thought on how many jobs this will kill in this state?? Has anyone seen how Ford has cut back MASSIVELY on their EV production because NOBODY wants them?

This country is all about freedom of choice, so why are we constantly being “mandated” by the government, specifically here in Maine, on numerous things? Forced vaccines, who we can/can’t vote for, now what we can drive?? What’s next - what we can eat?!

Enough Government overreach - we’ve had enough!!
NO EV MANDATE!!
