Tyrants of Maine,

I vehemently oppose this proposed legislation regarding electric vehicles.

I'm writing to inform you of the CONSTITUTION, which you seem to have conveniently omitted from the legislative process so I'm here to remind you! Let's start with the 9th amendment:

The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

This means: even though the CONSTITUTION doesn't specifically say I have a right to purchase what I please, and is not otherwise prohibited in the CONSTITUTION, it is my GOD given right to do so.

In conclusion, I WILL NOT COMPLY!!!!!!!!!!!!

Fed up constituent,
Angela Wilkinson
