I have total respect for others views and right to choose for themselves however, I don't respect someone making a choice for me or on my behalf! This 127-A is just that. A handful of individuals that feel they should have the right to make my choice by forcing me to buy a vehicle that in my opinion isn't truly safe for the roads of Maine. Not to mention the fact that our infrastructure isn't strong enough to support what has been proposed. This past rain storm proved that beyond a shadow of a doubt, with the lengthy power outages.

Stop making my choices and let me (a working individual that provides for myself) make my own decisions and choices!!
