Dear BEP Representatives,

The fact you are even entertaining this insane rule is indicative of how out of touch you are with reality and Maine incomes and struggles.

Making us have to write to you to convince you this EV Rule is insanity should never have had to occur.

I suppose this a partisan mandate and you are expected to “tow the Democratic Party line” and shove EV’s down Mainer’s throats, but for God sakes use some common sense.

When EV’s are ready for prime time, you won’t need rules to get us to buy one.

Please something less destructive to occupy your time on the BEP.

Your very irate citizen,
