Writing to voice my concerns about the adopting the electric vehicle BS bill, I'm against it, totally, it's garbage, follow the money, stop screwing the mariners that live in this once liveable State, we don't want to be a shit hole like California or San Francisco, if you like that BS regulations trash in your life, move, you want government telling how to run your life, move, don't impose that trash on us, we don't want it. Stop wasting our tax money, it's not yours. Stop all BS, seal the borders, stop taking in immigrants, we can't even take care of our own, time to replace Augusta with fresh, young, non-professional, unbought off politicians. Not a bunch power hungry, greedy, selfish, self serving, dictators, for sale lifers.

Thank you,  
David Moore
