PLEASE PLEASE PLEASE do not mandate Mainers only the option of electric vehicles. Our state is not the easiest to live in and without gas powered vehicles could render its citizens powerless when in a hostile weather stretch. Our trucking industry would be in severe jeopardy and it simply makes no sense. Where has common sense gone in our government????? WE ARE NOT CALIFORNIA! Don't bring THEIR crazy to our state! We absolutely NEED TO KEEP our gas powered vehicles! If YOU want an electric vehicle, YOUR CHOICE but don't make it mandatory for everyone else! WE SHOULD BE ABLE TO HAVE CHOICE AS WELL.

Sincerely,

Joyce Tabor
