I am opposed to this ruling. I urge "NO" on Chpt 127 A; Advanced Clean Car II Program. I'm struggling with grocery, heating, electricity and medical and dental bills. How am I ever able to buy an electric car? Who comes to rescue me when Maine temperatures drop to single digits or below zero and the power is out all over the state for several days and these electric cars won't go? No EV's. J A Palmer, Thorndike, ME
