Greetings,

My whole family and every person I have spoken with oppose this electric vehicle mandate. THIS IS WRONG. Your job is to represent all the people of Maine-the ones whose money you're stealing for ridiculous causes like this. Where has common sense gone? Wouldn't it make more sense to be fighting the 4 billion dollar Chinese illegal marijuana growing operations? You should be trying to supply basic needs to our citizens and figuring out how to house the homeless and take care people without food and heat. We won't have a state left after you sell us out for your own personal gain.

Sincerely,

Melonie Bennett
