I oppose this "rule." This rule destroys my right to choose the vehicle I believe is best for my welfare and lifestyle. I am particularly opposed to a law or rule that not only restricts my freedom to choose but also does not make good financial or practical sense.

When I believe that our technology and infrastructure is ready for an Electric Vehicle, I will be amenable to purchasing one. Until then I AM OPPOSED.

Thank you for allowing me the opportunity to comment.

Michael Delia,
Colonel (ret), USAF
