To whom it does concern,

I find it preposterous that a citizen petition is a legitimate form of PROTEST which can lead to a possible MANDATE affecting all of the citizens of our great state of Maine. You folks should never form legislation that forces the citizens to do something on the whim of a few! Shame on you for even considering something like this! You keep pushing us and pushing us, how do you think this ends? Do you even know why this country came to be? SEND THIS RIDICULOUS IDEA TO THE SHREDDER WHERE IT BELONGS!!!
