Good morning,

I am against adopting this "California Rule". First, we are NOT CALIFORNIA, why should people from maine adopt a California rule?

The EVs do not work in cold weather. The EVs don't work when you lose your power for days or weeks. Realistically, how many Mainers have a garage to even park one in?

There was already a Civic center full of Maine people in which 90% was against this adoption.

I would like to know, that being said. Why a board of 5 overrides the voice of many. ??

If that's the case, with every time there is an overwhelming majority against something, Why Even Bother wasting everyone's time and making us feel like we are a part of the decision WHEN YOU ARE GOING TO DECIDE FOR US ANYWAY??

This is not Democracy, this is SOCIALISM!!

That's my opinion.
