Where do you people come from? No, don't tell me, I really don't want to know... Just know that in your infinite stupidity and because you were appointed by mills, who listened to a lousy 150 climate protesters, you disregarded 80 plus percent of Maine taxpayers and their rightful wishes. Thanks to the storm of the 18th, naive nut jobs like you had a chance to see first- hand how your wisdom might not be the right call for Maine! You'll find out in Feb.
