I am against this bill. We are not California. We do not have the same electrical grid that California does. Many Maine residents do not have electricity, how are they going to charge their cars. Many Maine residents do not have the income to be able to afford these cars. It is my right as a American Citizen to choose what vehicle I drive and how I want to fuel it. By passing this bill you are taking away my rights as a citizen.

Sincerely,

Sylvia R. Pouliot
