I am full time, voting resident of Rockport, Maine and I do NOT support this rule:

Chapter 128: Advanced Clean Trucks Program proposed to establish a program to reduce emissions from on-road vehicles over 8,500 pounds gross vehicle weight rating (GVWR) by incorporating the requirements of the California Advanced Clean Trucks regulation and is intended to accelerate sales of zero-emission vehicles over 8,500 pounds GVWR

Nor do I support:

Chapter 127-A: Advanced Clean Cars II Program

for 2027 or 2028

this new rule was proposed to establish motor vehicle emission standards for new passenger cars, light-duty trucks, and medium-duty vehicles by incorporating the requirements of the California Advanced Clean Cars II regulations

Best,
Victoria Dibner
