I have been a born & raised Maine citizen for 62 yrs. I want nothing to do with this ridiculous CA rule on EV's. EV's will never be good for Maine, Never. We are not a little city and our coverage and work areas are spread hundreds of miles apart. Not to mention, this rule simply isnt who Maine people are and Maine people dont want it now or in the future. Please stop trying to ruin Maine with CA's foolish rules. Mainer's need big vehicles and trucks to work and play. Please vote no for my family, thanks.
